NAAC

VISION

To make quality the defining element of higher education in India through a combination of self and external quality evaluation, promotion and sustenance initiatives.

MISSION

- ✓ To arrange for periodic assessment and accreditation of institutions of higher education or units thereof, or specific academic programmes or projects;
- *∼* To stimulate the academic environment for promotion of quality of teaching-learning and research in higher education institutions;
- ≈ To undertake quality-related research studies, consultancy and training programmes, and
- *∼* To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.

Value Framework

To promote the following core values among the HEIs of the country:

- > Contributing to National Development
- ➤ Fostering Global Competencies among Students
- ➤ Inculcating a Value Sysstem among Students
- ➤ Promoting the Use of Technology
- Quest for Excellence

Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions

Introduction

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, institutions need to channelize its efforts and measures towards promoting the holistic academic excellence including the peer committee recommendations.

The guidelines provided in the following pages will guide and facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC). The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

IQAC - Vision

To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

Objective

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies

IOAC shall evolve mechanisms and procedures for

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
- b) Relevant and quality academic/ research programmes;
- c) Equitable access to and affordability of academic programmes for various sections of society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) The credibility of assessment and evaluation process;
- f) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- g) Sharing of research findings and networking with other institutions in India and abroad.

Functions

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks
- b) Parameters for various academic and administrative activities of the institution;
- c) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- d) Collection and analysis of feedback from all stakeholders on quality-related institutional processes;
- d) Dissemination of information on various quality parameters to all stakeholders;
- e) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- f) Documentation of the various programmes/activities leading to quality improvement;
- g) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- h) Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- i) Periodical conduct of Academic and Administrative Audit and its follow-up
- j) Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

Benefits

IOAC will facilitate / contribute to

- a) Ensure clarity and focus in institutional functioning towards quality enhancement;
- b) Ensure internalization of the quality culture;
- b) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- c) Provide a sound basis for decision-making to improve institutional functioning;
- d) Act as a dynamic system for quality changes in HEIs;

e) Build an organised methodology of documentation and internal communication.

Composition of the IQAC

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

- 1. Chairperson: Head of the Institution
- 2. Teachers to represent all level (Three to eight)
- 3. One member from the Management
- 4. Few Senior administrative officers
- 5. One nominee each from local society, Students and Alumni
- 6. One nominee each from Employers /Industrialists/Stakeholders
- 7. One of the senior teachers as the coordinator/Director of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution, accordingly the representation of teachers may vary. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities. The guidelines given here are only indicative and will help the institutions for quality sustenance activities.

The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- It is advisable to change the co-ordinator after two to three years to bring new thoughts and activities in the institution.

- It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer center, estate, student welfare, administration, academic tasks, examination and planning and development.
- The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives should be of high social standing and should have made significant contributions to society and in particular to education.

The role of the Coordinator

The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The coordinator of the IQAC may be a senior/competent person with experience and exposure in quality aspects. She/he may be a full-time functionary or, to start with, she/he may be a senior academic /administrator entrusted with the IQAC as an additional responsibility. Secretarial assistance may be facilitated by the administration. It is essential that the coordinator may have sound knowledge about the computer, data management and its various functions such as usage for effective communication.

Operational Features of the IQAC

Quality assurance is a by-product of ongoing efforts to define the objectives of an institution, to have a work plan to achieve them and to specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The right balance between the health and growth of an institution needs to be struck. The IQAC has to ensure that whatever is done in the institution for "education" is done efficiently and effectively with high standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

The coordinator of the IQAC will have a major role in implementing these functions. The IQAC may derive major support from the already existing units and mechanisms that contribute to the functions listed above. The operational features and functions discussed so far are broad-based to facilitate institutions towards academic excellence and institutions may adapt them to their specific needs.

The institutions need to submit yearly the Annual Quality Assurance Report (AQAR) to NAAC by end of September every year positively. A functional Internal Quality Assurance Cell (IQAC) and timely submission of Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle's accreditation. During the institutional visit the NAAC peer teams will interact with the IQACs to know the progress, functioning as well as quality sustenance initiatives undertaken by them.

The Annual Quality Assurance Report (AQAR) may be the part of the Annual Report. The AQAR shall be approved by the statutory bodies of the HEIs (such as Governing Council/

Executive Council/Board of Management) for the follow up action for necessary quality enhancement measures.

The IQACs may create its exclusive window tab on its institutional website for keeping the records/files of NAAC, Peer Team Reports, AQAR, and Certificate of Accreditation Outcomes and regularly upload/report on its activities, as well as for hosting the AQAR.

Revised Accreditation Framework

NAAC has launched Revised Accreditation Framework since July, 2017 and hence AQAR format also modified, in cognizance with the new methodology. The tools and parameters are designed in the new AQAR format are in such a way that the preparation of AQAR would facilitate the HEI's for upcoming cycles of Accreditation. Data collected/prepared infuses quality enhancement measures undertaken during the years. Further, it also adds quality enhancement and quality sustenance measures undertaken in teaching, learning, research, extension and support activities of the Institution. It is hoped that new AQAR would facilitate Educational Institutions for creating a good database at Institutional level for enhancing the quality culture.

As per the Revised Accreditation Framework (RAF), the NAAC Accredited institutions need to submit the AQAR online. NAAC is in the process of ICT integration in Assessment and Accreditation. The login id for the online submission for AQAR submission will be the e-mail id used for the IIQA. The AQAR submission is part of the post accreditation module, in due course of time. NAAC portal will have the facility to submit the AQAR online and Institutions will receive automated response. AQAR of the preceding year be submitted to the NAAC within six months i.e. the institutions should submit the AQAR before 31st December of every year.

The Higher Education Institutions need not submit the printed/hard copy of AQAR to NAAC.

Mandatory Submission of AQAR by IQAC

The Executive Committee of NAAC has decided that regular submission of AQARs is mandatory for 2nd and subsequent cycles of accreditation with effect from 16th September 2016:

The following are the pre-requisites for submission of IIQA for all Higher Education Institutions (HEIs) opting for 2^{nd} and subsequent cycles of A& A:

- Having a functional IQAC.
- The minutes of IQAC meeting and compliance to the decisions should be uploaded on the institutional website.
- Mandatory submission of AQARs on a regular basis for institutions undergoing the second and subsequent cycles of Assessment and Accreditation by NAAC.
- Upload the AQAR's on institutional website for access to all stakeholders.

Note: The terms and abbreviation used in AQAR are in accordance with respective manuals for assessment of NAAC. Please refer institutional manual for glossary and abbreviations terms used in AQAR.

The Annual Quality Assurance Report (AQAR) of the IQAC (For Affiliated/Constituent Colleges)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year.* (For example, July 1, 2017 to June 30, 2018)

Part - A

Data of the Institution

(data may be captured from IIQA)

- **1.** Name of the Institution A.J. INSTITUTE OF MANAGEMENT
 - Name of the Head of the institution: DR. T. JAYAPRAKASH RAO
 - Designation: DIRECTOR
 - Does the institution function from own campus: YES
 - Phone no./Alternate phone no.: 0824-2455340
 - Mobile no.: 9448812099
 - Registered e-mail: ajimmangalore@rediffmail.com
 - Alternate e-mail: deep_gdc@yahoo.co.in
 - Address :OPP. MAHINDRA SHOWROOM, KOTTARA CHOWKI
 - City/Town : ASHOK NAGAR POST, MANGALORE
 - State/UT : KARNATAKA
 - Pin Code : 575006

2. Institutional status:

- Affiliated / Constituent: AFFILIATED
- Type of Institution: Co-education/Men/Women (CO-EDUCATION)
- Location: Rural/Semi-urban/Urban: URBAN

 Financial Status: Grants-in aid/ UGC 2f and 12 (B)/ Self financing (please specify) SELF FINANCING

• Name of the Affiliating University: MANGALORE UNIVERSITY

• Name of the IQAC Co-ordinator: K. DEEPAK RAO

• Phone no.: 0824-2455340

Alternate phone no.

• Mobile: 8147618678

Notification of a Meeting of IQAC held on 21st October 2017

IQAC meeting of our Institute is convened on Saturday, 21st October, 2017 at 2.30 pm, at our Institute, to discuss the following matters in the agenda. We request you to kindly be present for the same and contribute your inputs.

Agenda:

- Approval of minutes of previous meeting.
- Submission of NAAC report.
- Overview of the activities of the last year.
- Vermicompost and Solar campus.
- Commencement of SAP and GST classes
- To receive suggestions from the members regarding quality improvement.
- Any other matter.
- Date of next meeting
- **10.** No. of IQAC meetings held during the year: 2

The minutes of IQAC meeting and compliance to the decisions have been uploaded on the institutional website......

Yes/No YES http://ajimmangalore.ac.in/iqac/

(Please upload, minutes of meetings and action taken report)

11. Whether IQAC received funding from any of the funding agency to support its activities during the year? Yes No ✓

If yes, mention the amount: Year:

- 12. Significant contributions made by IQAC during the current year (maximum five bullets)
 - * SAP & GST certificate courses through Industry practitioners and CA practitioners.
 - * Free workshop on Vermicomposting for general public at the Institute campus.
 - * Recognition of outstanding performance of students in academic and management fests
 - * Special guest lecture on the theme "Women under the Protection of Law".
 - * Short Movie presentations by students on the theme "Digital India".

13. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

14. Whether the AQAR was placed before statutory body? Yes /No: YES

Name of the Statutory body: Management (Governing Council)

Date of meeting(s): 28/08/2017

15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning?

Yes/No: YES Date: 17th & 18th May 2018

16. Whether institutional data submitted to AISHE: Yes/No: YES

Year: 2018 Date of Submission: 20/02/2018

17. Does the Institution have Management Information System?

Yes YES No

If yes, give a brief description and a list of modules currently operational. (Maximum 500 words)

MIS in Library:

The library activities of the Institute are automated by using Software called Easy Lib. It is a data source, residing on a server and serves as a Centre to our entire network, having the ability to build and manage our library. Easy Lib enables the library users to Perform extensive search from various terminals through our LAN Perform various library related activities such as procurement, classification, coding, issuing etc.

Functions as software for security and log on mechanisms. Connect our library to other digital information centers, on demand. Use as a multilingual data entry facility. Easy lib also offers bar coding compatibility of the entire library stack. Bar coding work is in progress. The multimedia and PC/s with internet provided at the library, enables the use of Easy Lib.

The students and faculty are given ID and password for the use of online journal portals.

Likewise, our research journal – Anveshana has a separate website (www.anveshana.in) and can be viewed on-line portal through J-Gate, ProQuest and i- scholar.

MIS in Office

All expenses of the Institute are budgeted and approved in the Governing Council meeting, every year. Director forwards the proposals of procurement and conduct of programmes to the Trust, for approval. All the procurements are done through inviting quotations and the lowest quotation is recommended to the Management for approval. After the procurement, bills are settled through payments by Cheque. Salary payments are made through Account Transfers. Student fees are collected through DD, Account Transfer or Cash, against the receipts. All financial transactions are recorded with the help of software - Tally. Quarterly audit of all financial transactions also add to the transparency.

Part-B

CRITERION I – CURRICULAR ASPECTS

1.1 Curriculum Planning and Implementation

1.1.1 Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Dean (Academic Affairs), in the beginning of the semester, designs the curricular calendar, allots the teaching hours to the faculty and prepares the Time-Table. The Curricular Calendar includes details regarding commencement of lecturing classes, Internal Examinations, Viva-Voce, Group Discussion/Case Analysis, Presentation/Seminar Hours, Summer Internship, Project Work, Add-on Certificate Programmes related activities, Semester-end dates, etc.

Likewise, the Student Council Advisor prepares the Calendar of Events for co-curricular activities, in the beginning of each semester. It contains the details of Expert Lectures, Workshops, Demos, Training Programmes, Field Surveys, Industrial Visits/Tours, Management Fests, various Club Activities, Activities in connection with Memorandum of Understanding, Conferences, Faculty Development Programmes, Competitions on Extracurricular Events, Alumnae Meeting and other Celebrative Programmes like Annual Day, Teachers' Day, Cultural Day, Sports Day etc., to be coordinated through Clubs and Associations.

Once the Calendars are prepared, they are placed before the Director and are published on the Notice Boards after discussing the same in the faculty meeting.

Teaching Plan:

Teaching hours are allotted for individual subjects as prescribed by the Mangalore University and for Add-On Certificate Programme subjects as per the internal regulations of the Institute. Further, it is the practice of the Institute to allot more teaching hours for quantitative subjects.

After the finalization of allocation of teaching hours and subjects to the individual faculty, the same is communicated to the members of faculty. After the allotment of the subjects, each faculty prepares lesson plans for each subject, indicating the hours allotted for each unit of the syllabus. In order to ensure its active follow up, faculty maintains a Work Diary, passing entries on daily basis.

In the mandatory subjects prescribed by the University, the teaching pedagogy such as role-play, subject quiz, presentation, business model etc., are implemented along with ICT enabled support. With regard to add-on courses such as Soft Skill for Business, 50 percent weightage is given to theoretical component and 50 percent to practical input. The effectiveness of Internship experience is ensured through Viva and Internship Report.

Evaluation procedures and practices

The Institute has the practice of 'round-the-year evaluation' of students on 360-degree basis. The internal assessment of 30 Marks are allotted on each subject as per the parameters shown in the Table attached.

To ensure quality and timely completion of Project Work, a Project Work Diary system is introduced in 2014-15. Work completion entries made by the student in the Diary, are periodically monitored by the concerned Project Guide and the Director.

Faculty meetings are held periodically to review the academic work performed by each faculty/students.

To help the slow learners and non-Commerce students, senior faculty members conduct, remedial classes in practical subjects.

To keep the faculty members abreast of latest knowledge, they are deputed to various workshops and conferences organized by the University and other Institutions.

Further, effective curriculum delivery is supported by a flexible multi-level communication structure comprising the Director, Dean and Faculty members.

Institute views fee	edbacl	k from its	s stakeho	lder	s as a 1	neans c	of intro	ospection for	further i	mprove	ement in the

delivery of academics. The following presentation reflects how the feedback obtained from students,

teachers, employers have influenced in overall development of the institution.

Collection of Feedback:

A feedback on course content is collected through a structured questionnaire administered among the students and teachers. Feedback is collected also from employers, alumni, parents, experts from industries etc., through informal/informal meetings and one-to-one discussion.

Impact and Implementation:

The outcome of the feedback collected is analyzed at Faculty, Parents and Management as well as Internal Quality Assurance Cell (IQAC) meetings. The workable suggestions of the feedback are implemented suitably. The Certificate Programme in Logistics, conversion of Dual Subject programmes into Industry Certified Courses, provision of Add-on Programme on Soft Skills for Business have been introduced by the Institute. As per the feedback, Institute has made arrangement to provide GST and SAP practical trainings to the students at the Institute campus. The Management of the Institute provides financial resources if any, for the implementation of the suggestion through its annual budgets.

CRITERION II -TEACHING-LEARNING AND EVALUATION

2.1 Student Enrolment and Profile

2.1. 1 Demand Ratio during the year

Zili I D'illulla Itali	s during the year		
Name of the		Number of	Students Enrolled

2.3.2 Students mentoring system available in the institution? Give details. (maximum 500 words)

Under the guidance of the Director, the Dean (Academic Affairs) monitors academic activities and gets the work done through Mentors, Academic Advisors and Faculty. A batch of students is put under the care of mentors to carryout one-to-one interaction regularly. Mentorship programme has facilitated the Faculty to mentor a group of students to assess and understand their learning aptitude. Efforts are made under mentorship programme to help the slow learners. Girl students are encouraged to meet their mentors and academic advisors to discuss their personal, academic and any other issues.

			examination	
MBA	MBA	2017-18	13.06.2018	21.07.2018

2.5.2 Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Institution has initiated many innovative and reformative evaluation techniques ensuring all-round, continuous, transparent and effective student evaluation system (360 degree), throughout the two-year programme.

Under structured system of evaluation the students are evaluated from different dimensions such as internal examinations, assignments, viva-voce, seminar/presentations and attendance. Total of 30 marks are allotted to the above said dimensions. The weightage of marks is based on the importance of the criteria. Internal examination carries 20 marks (for all 4 semester), for presentation, assignment and Viva-voce 3 marks are allotted for 1st and 2nd semester, presentation and assignment carries 2 marks in 3rd and 4th semester, vivovoce caries 5 marks in 3rd and 4th semester and 1 mark is allocated to attendance for all the 4 semester.

2.5.3 Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The Institute prepares a Comprehensive Calendar of Events enlisting all curricular and co-curricular, also encompassing the components of CIE. Once approved in the faculty meetings, Dean (Academic Affairs) and Student Council Advisor takes due care to adhere to the Calendar of Events in its implementation, as explained

hereunder.

The academic activities of the Institution are planned as per the schedule received from Mangalore University. The Dean (Academic Affairs) prepares Academic Calendar in the beginning of each semester containing the issues related to CIE such as dates of internal and term examinations, viva-voce, hours for group discussion and case study analysis, presentation/seminar hours, summer internship, project work, industry certified subject related activities, semester-end dates, etc. in addition to curriculum details.

Likewise, Student Council Advisor prepares the calendar of events for schedule on semester basis for other cocurricular activities, which form a part of CIE. The schedule contains the details of expert lectures, workshops, demos, training programmes, field surveys, industrial visits/tours, and management fests, various club activities, conferences, competitions on extra-curricular events etc.

Further, once it is approved in the faculty meeting, the Director brings the Academic Calendar to the notice of the Governing Council. Finally, the Calendar is published in the Notice Boards for the attention of members of the faculty and students.

It is also to be noted that each programme is put under the supervision of separate club or association, under the charge of faculty. The concerned faculties conduct the programme as per the schedule by involving and allotting the responsibilities to the students. Further, while designing the program schedule, the students covering the cross sections are nominated to different clubs and associations and it is published on the Notice Board.

Once the work is allotted to students, the programme is coordinated, organized by such group of students, which also provides an opportunity to evaluate continuously their skill and learning aptitude.

To ensure the implementation of the Academic Calendar religiously, the performance is reviewed in faculty meetings, meetings of Student Council and Executive Council, which has representatives of faculty, library, lab, office and students.

The degree of involvement of majority of students in numerous curricular and co-curricular activities organized as per the Calendar of Events in the Institute during the entire semester makes the continuous internal evaluation more effective and successful.

2.6 Student Performance and Learning Outcomes

2.6.1 Program outcomes, program specific outcomes and course outcomes

4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Planning for the optimal use of infrastructure:

In order to make the optimal use of available infrastructure, in the beginning of every semester, Dean (Academic Affairs) and Students Council Advisor prepare the Calendar of Events in connection with academic, co-curricular and extra-curricular activities.

At the beginning of every semester, the Dean (Academic Affairs) in consultation with the faculty members allocates the lecture halls for regular subjects, specialization subjects and dual subjects, depending upon the number of students.

Planning in connection with use of library resources such as extension of working hours during examinations, issue of additional books, library procurement, to enhance the usage of e-resources are undertaken in library committee/ faculty meetings.

Strategies for the optimal use of the available infrastructure effectively:

The Institute and library are kept open between, 8.30 a.m. to 5.30 p.m. with a provision to extend beyond, if necessary. Meritorious Students are allowed to borrow unlimited number of books.

During the period of examination, the time restriction on the return of books is relaxed Computer lab is kept open between 9 a.m. and 6 p.m. Research Centre is kept open between 9 .00 a.m. and 5.00 p.m.

Definite hours are allotted in the Time Table to facilitate the club activities in the Conference Hall.

Students to use laptops/ systems in a classroom, which ensures the optimum use of Wi-Fi facility.

Presentation and assignment topics are based on the ProQuest and J-Gate, to ensure optimum use of journal portals. The Institute houses a canteen and a stationery store, used by the students of sister Institutions also staying in the in-campus hostel.

The Institute allows the organizations such as Sikkim-Manipal University, Vellore Institute of Technology, CMAT, KMAT, IIBF, Indian Insurance Institute, Ajim Premji University, KPTCL etc., to use the computer lab for the conduct of their examinations.

Research Centre, Library and Computer Lab are also made available for outside research scholars, faculty of sister concerns and neighboring institutions.

Office space is provided to Indian Institute of Materials Management for conducting its activities. The Trust makes arrangements for the Maintenance of land and building of the Institute and the Institute makes arrangement for the maintenance of furniture, equipment and computers through annual budget allocations. LCD and UPS are maintained through AMC. Computers and other equipments are serviced through breakdown calls. Repairs are arranged on 'estimation and approval' basis. Hardware and software purchases are made through a system of inviting quotations. Campus and hostel waste such as paper, vegetable wastes and dry leaves are managed through Vermi-compost Unit of the Institute.

5.3.2 Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Student Council of the Institute has a very efficient, effective system of functioning to give due representation to students in various bodies and coordinate all co-curricular and extra-curricular activities of the Institute. The Student Council comprises a strong contingent of about 140 students. It consists of Student Chief Executive, Student Deputy Executive, Secretary General, Joint Secretary, Class Representatives of all the classes and the Office Bearers of Clubs and Associations, functioning at the Institute.

The senior faculty is designated as the Student Council Advisor who performs the role of guide and coordinator. Student Council Advisor prepares-in consultation with the Dean and the Director-. Schedule the events of co-curricular and extra-curricular events in the beginning of every semester. There are 36 Clubs and Associations, performing different functional responsibilities. Each Club/Association is headed by a faculty member and two student coordinators, from each class. The concerned Clubs and Associations plan, organize and conduct the programmes as per the Schedule. Frequent reviews are made in the meetings of Faculty and Executive Council to assess and confirm that the conduct of the programmes is as per the Schedule.

The Student Council has been very active by organizing a number of academic, co-curricular, extracurricular and socio-cultural programmes such as Expert Lectures

- Talent Hunt, Role Play, GD/CS and Demo
- Preparation of Short Movies
- Inspirational Movie Review Sessions
- Open Discussions on the current issues and conduct of Open Assembly
- Celebration of festivals viz. Onam, Dasara, Deepavali and Christmas
- Cultural Week
- Traditional Day
- Intra-fest
- Representation of Institute in various fests organized by other institutions
- National Conference
- Annual Day Celebrations and Sports day

The Institute has provided for 36 clubs/associations to see that maximum as well as even representation is offered to the students. The nomination of 140 students out of student strength of 206 indicates the effective representation given to students in the various academic, administrative bodies and committees. The effective percentage of student representation given being nearly 68. Further, the Institute ensures that all students get a chance of participation in one or the other event, in one way or the other. Hence, the Student Council functions actively by organizing various events successfully under the guidance of faculty and IQAC.

5.3 Alumni Engagement

5.3.1 Whether the institution has registered Alumni Association? Yes/No, if yes give details (maximum 500 words):

No

5.3.2 No. of registered enrolled Alumni:

116

5.3.3 Alumni contribution during the year (in Rupees):

11600

5.3.4 Meetings/activities organized by Alumni Association:

2

CRITERION VI -GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 Institutional Vision and Leadership

6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institute practices the decentralization and participative management in word and spirit, in administration. As there is high degree of decentralization in the Institute the Director enjoys autonomy in the performance of day-to-day activities. Under the guidance of the Director, the Dean (Academic Affairs) monitors academic activities and gets the work done through Mentors, Academic Advisors and Faculty. Similarly, Student Council Advisor plans the co-curricular/ extra-curricular activities and coordinates through clubs and associations. Faculty in charge of clubs coordinates the activities with the help of the students.

Case Study: Elixir – 2017 National Level Management Fest- 9th & 10th Nov 2017

Institute Management Fest is the event that students eagerly wait for. Apart from the fun, frolic and platform that it offers to students to exhibit their talents, the fest is also an acid test of some students' managerial skills, as well as the flexibility in decision-making of the teachers. It all begins with the decision taken in the one of the faculty meeting to conduct one and half day of Management Fest – Elixir- November 09-10th 2017. Mr. Chethan Kumar, Mr Deepak Rao and Miss swapna Shetty – assistant professors of the institute has appointed as fest coordinators and student Miss. Ananya, Miss Sanidhi, Mr. Fayaz and Mr. Vivek of second year students appointed them as the main student coordinators of the fest. After discussing with student coordinators faculty coordinators decided to conduct 5 events in the fest like Finance event, Marketing Event, Human Resource Management, Business Quiz and Best Manager for post graduate MBA college's students. Management and Director after discussing with Fest Faculty Coordinators, decided to call Sri Swami Jitakamanandaji, President Ramakrishna Matt, Mangalore as a chief guest for the inaugural Programme and Sri. Raj B. Shetty, Actor, Director and Screen Play for the valedictory and prize distribution ceremony. Under the supervision of fest coordinators, many committees are formed like Escort Committee Registration Committee, Procurement Committee, Transportation Committee Decoration Sound System / Technical Handling Committee and Food Committee etc and for each committee one teaching staff as well as student representatives are assigned with their duty and responsibilities. Students has given responsibility of getting sponsorship for fest, administrative and logistical part of the fest, but all powers of approval lie with the director of the institute and committee faculty in charge. After the committee work assigned all the faculty members and students representatives are worked as one unit and performed their duties sincerely. Before the event, many committee meetings held and faculty in charge discussed all fest matters with students and always keeps them in the loop with regards the activities.

Case Study: Annual Day Celebration

Institute annual day celebration is the important example where all the internal stakeholders of the institute work in a one group and show the unity among themselves. Every year annual day is one of the important events where duty and responsibilities are assigned to all the faculty and students. It all begin with the faculty meeting where director of the institute put forward the annual day celebration and prize distribution on the floor for discussion. After the discussion, 21st May, 2018 date decided to celebrate annual day and student council advisor Ms. Rashmitha Kotiyan and Mr. Chethan Kumar are selected as overall in faculty

charge persons and told us to make necessary committee and appoint faculty and students for those committees. According the instruction from the director few important committees like procurement and printing committee, invitation committee, food committee, stage committee, and formal programme committees are formed and assigned one faculty to each committee as in charge person. With consultation and approval from management, director decided Sri. Kishore Alva, Joint President, Adani, UPCL, Udupi as a chief guest for the programme. All the committee members contributed equally and all done their work successfully and made our programme grand success.

The above stated cases study is a live example of decentralization and participation management from germination of idea till its execution. The sequence of events reflects the participation of all Stakeholders Management, Parents, Faculty, Sub Staff and Students of the Institute – at different levels and stages of the endeavour. This is also a case of decentralization of power in decision making involving Management-Director-Faculty-Office bearers in the process.

6.1.2 Does the institution have a Management Information System (MIS)?

Yes/No/Partial:

YES

6.2 Strategy Development and Deployment

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Curriculum Development

A J Institute of Management affiliated to Mangalore University, Mangalagangothri and follows the curriculum and syllabus prescribed by the University for All its Courses. Affiliated Institutions are not allowed to design their own curriculum. Rather, after every 5 to 6 years, University revise their syllabus and Senior faculty members from our college have been a part of the curriculum development committee formulated by university and have contributed to curriculum development.

Teaching and Learning

A J Institute of Management Institute we follow a holistic approach for growth and development of students, our teaching and learning methodology includes brainstorming, presentations, quizzes, hands on activities, Festival Celebrations, Clubs and Associations, Day-long workshops, Social Survey conducted, Spot seminars conducted, Provision of learning experiences, Deputation of students in management fests, Add on programmes, Student participation in series of On-line-Aptitude Tests, Demos on the use of knowledge software's and case studies etc.

***** Examination and Evaluation

As per University rules, there is Two Internal examinations to be conducted in a semester by the institution and at the end of semester university Examination is conducted by University, which is a centralized process managed by University. Follows a disciplined strategy for evaluating our students, which includes Continuous evaluation, is done through internal exam, assignments, viva, attendance and presentations.

* Research and Development

For promoting research A J Institute has purchased subscription for various online research journals and libraries to provide latest resources for the faculty members. Almost all faculty members are provided with personal computer which helps them carry out their research work. The institute has Wi-Fi enabled internet facilities for the fast access to online resources. The faculty members are encouraged to publish their research contributions in various National & International Journals and conferences. The Institute encourages the research scholars by providing on-duty leave to focus on their research. , The institute motivates the faculty members to attend research-oriented seminars/workshops/conferences etc. The Institute encourages faculty members to pursue Ph. D programmes in reputed universities. The institute supports the researchers by providing high end computing facility with necessary software and with modern equipments.

❖ Library, ICT and Physical Infrastructure / Instrumentation

A. J. Institute of Management is endowed with the resources such as: Excellent digitalized library with about 14,529 books, 47 journals, two knowledge software- J-Gate and ProQuest, four multi-media PC's with

internet connection supported by Wi-Fi and LAN. Air conditioned computer lab, equipped with licensed hardware and license software, high speed and secured internet access, Dell Sonic wall, branded Desktop PCs supported by DELL server tower. Spacious Air-conditioned classrooms with internet connected full range of audio-visual systems and air conditioned conference hall, round the clock security for the campus supported by CC Camera.

Human Resource Management

We strictly believe in the motto of team building and collective decision making. The Institute organizes various orientation and enrichment programmes for both teaching and non-teaching staff members for upgrading their skills in the latest technology. AJIM provide Special Leave for pursuing higher studies, attending enrichment courses/seminars/conferences/workshops and exam duties. Institute has Biometric, CCTV facility which are used for human resource management.

Industry Interaction / Collaboration

Efforts are made to build and maintain excellent rapport with the Management of various Organizations and Industries and forge collaborative Industry, Academia alliances. This provides a unique and rare opportunity provided to students to learn the theoretical concepts practically. Institute is in process of initiating Memoranda of Understanding with major companies to provide certificate programmes. Institute deputes students for seminars, management development programmes and conferences organised by the industry and corporate. After the second semester students actively participated in industry institute also assist students to do Summer Internship Programmes. Getting our students suitable placements in the company after the course completion institute has signed MOU with Bangalore base Company Seventh Sense Pvt limited for placement assistance.

❖ Admission of Students

The scores/grades secured by the students in their Bachelor degree level and MAT, KMAT, PGCET etc., enable the Institute to evaluate the competency of the student at the base level.

6.2.2 : Implementation of e-governance in areas of operations:

Planning and Development

Emdees Computers, S-6-7, Ramnik Arcade, Bejai Kapikad Road, Mangalore - 575004

❖ Administration

Emdees Computers, S-6-7, Ramnik Arcade, Bejai Kapikad Road, Mangalore - 575004

Finance and Accounts

Emdees Computers, S-6-7, Ramnik Arcade, Bejai Kapikad Road, Mangalore - 575004

Student Admission and Support

Mangalore University, Mangalagangothri, Konaje, Mangalore – 574199

Examination

Mangalore University, Mangalagangothri, Konaje, Mangalore – 574199

6.3 Faculty Empowerment Strategies

6.4 Financial Management and Resource Mobilization

6.4.1 Institution conducts internal and external financial audits regularly (with in 100 words each)

The accounts of the Institute are audited regularly as per the Government rules. An internal auditor, audits our accounts every quarter. He checks cash receipts with fee receipts and payments with vouchers and necessary supporting documents. He also ensures that all payments are duly authorized. But the external auditor conducts Statutory Audit at the end of the financial year.

6.4.2 Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

The major source of Institutional receipt/ funding is from tuition fee collected from students and the financial grants given by Laxmi Memorial Educational Trust. At present, the Institute does not receive any grant from Government. The Institute also earns additional income from Computer lab for allowing various institutions to conduct various online entrance exams and semester exams every year. To organize special events such as National Conference, sponsorships are collected from private/ Public and Alumni members.

Name of the non government funding agencies/individuals	Funds/ Grants received in Rs.	Purpose
-	-	-

6.4.2 Total corpus fund generated 4,15,66,328.34 (cr)

6.5 Internal Quality Assurance System

6.5.1 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	Ex	ternal	Internal	
	Yes/No Agency		Yes/No	Authority
Academic	No	No	No	No
Administrative No		No	No	No

6.5.2 Activities and support from the Parent – Teacher Association (at least three)

Parents are cordially invited for Orientation Programme of their wards on their first Day of College every year. And same day Parent-Teachers meeting will be held at the institute and feedback and suggestions for improvement of quality management education was collected. Feedback from parents is given due

consideration.

Parents teachers association faculty in charge always invite club committee members and Parents to for major programmes of the institute.

Every year institute collect Parents signed anti-ragging affidavits documents.

6.5.3 Development programmes for support staff (at least three)

Staff Development Programme for Non Teaching Staff was organised at Institute campus.

Financial assistance for non teaching staff for attending workshop and conferences

Annually salary increments for supportive staff

6.5.4 Post Accreditation initiative(s) (mention at least three)

Institute has got 12B approval from UGC. This makes the colleges eligible for central assistance from the Government of India or any organization receiving funds from the Central Government.

Introduced "Pride and Honour Stage" to exhibit talent and skills of students in the institute

Introduced certificate add on courses SAP and GST for second year students and Corporate communication courses (Excel and Computer Basic) for first year students.

Women Under the Protection of	7th Feb 2018	
Law - Expert Lecture	2.30 pm to 4.30 pm	71
	17th November 2017	
Breaking Down Mental Blocks	2.30 pm to 3.30 pm	70
Swami Vivekananda: Role Model	25th October 2017	
for Youth - Expert Lecture	2.30 pm to 3.30 pm	73

7.1.7 Initiatives taken by the institution to make the campus eco-friendly (at least five)

The Institute has developed its own practices to ensure greenery around and also to contribute to ecological balance, by implementing a few humble unstructured systems, which are mentioned here below

- Majority of the students and staff of the Institute use public transport to travel from their respective places.
- Dustbins are provided in the classrooms and in some strategic points to collect the paper waste. However, the use plastic carry bags by students and canteen personnel are highly discouraged.
- All internal communications are carried out to the students and faculty members through emails and Whatsapp groups.
- In a similar way, after conducting programmes, the faculty in charge prepares a detailed report with photographs and stores the same in the form of e-content and made accessible through Institute website.
- Efforts are also made to keep the campus clean and green, through planting trees and regular maintenance of garden.

7.2 Best Practices

Describe at least two institutional best practices

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

Weblink: http://ajimmangalore.ac.in/wp-content/uploads/2018/12/bestpractices.pdf

First Best Practice:

Title of the Practice: Short Video Preparation and Inspirational Video Presentation

Objectives of the Practice: This best practice has two dimensions - Preparation of Short videos and

Presentation of Inspirational videos. The specific objectives of the practice are

To unleash hidden talents, creativity of students and to build team spirit among them.

To provide the hands on experience to the students on the application of management theories to practice.

Creating awareness among the issues of social concern.

The Context: Themes such as environment protection, go-green, corruption etc., are selected for short video preparation, to create awareness on the themes and to address such social menace. For inspirational video presentation, subjects like stories of successful personalities, results of inspirations, family, culture etc., are selected to motivate the students to inculcate values.

The Practices and Uniqueness:

Short Video Preparation- This practice is considered to be unique as such practice is not found in any other management institutions, functioning under Mangalore University. Under this practice, the students were divided into groups to produce short movies on the theme "Digital India". On the occasion of releasing the movies along with the posters, the crew members share their experiences. A committee assesses the whole process, for the award of 'Best Short Video'.

Inspirational Video Presentation- The selection of only those videos containing the issues of human values, ethics, social problems etc. not considering its commercial success is the uniqueness of this practice. A faculty member, selects and presents the videos in the presence of the Director, faculty and students. The participants make an in-depth discussion is on its social, economic and ethical dimensions.

Evidence of Success:

The prevalence of the practice during the last four years is a testimony of the success. Students are able to work together as a team, despite their cultural differences, study background, geographical and genetic variations.

The practice successfully developed a sense of oneness, healthy human relations and mutual understanding in organizing all other activities at the Institute. It is also the matter of the fact that no single incident of any form of ragging, abuse, fight has taken place in the Institute as the over-all result of such best practice. This academic exercise has given an inspiration to the students to excel further, in the short movie contest as they won prizes in the national/state level competitions.

Problems Encountered and Resources Required: Undoubtedly, the Institute and the students encountered a few problems and underwent stress while practicing the exercise. To name a few, paucity of time, necessity of sophisticated equipment such as High Definition Video Camera and its usage, necessity of idea/expertise in the field of short movies etc.

Second Best Practice:

Title of the Best Practice: Publication of Bi-annual Research Journal-Anveshana... Search for Knowledge

Objectives of the Practice:

Today, higher education is considered as a trinity to perform three-fold functions: teaching-learning, research-publication and extension-development. With this background, the Institute is publishing this Research Journal with the specific objectives such as To carry-out research and publication activities religiously To create a research bent of mind among the students and faculty To facilitate the publication activities of the faculty of the Institute and other scholars

- To contribute to the existing bank of knowledge with new additions
- To develop quality academic relations with other academicians and institutions
- To strengthening the library of the Institute through getting other quality journals on exchange basis

The Context:

With the novel idea of contributing further, our Journal embraces the domain of knowledge from Commerce, Management, Finance, Marketing, Banking, Insurance, Human Resource Management, Agriculture etc. As the need of the hour, it focused on research articles, case studies, empirical reports and conceptual papers on contemporary issues. The Institute has brought out the special issues of the Journal intermittently, on some

special occasions like national conference etc. The Journal would contain invariability, a page for book review to enhance the reading practices among the people. The Institute also focused on the regional representation and cross sections of the society while selecting the scholarly articles for publication, to know around better. Most importantly, the Institute ventured to enter the area of publication when there was dearth of quality research articles as no other educational institution under Mangalore University, thought of bringing out a research journal. Even now, it is a matter of pride to state that the Institute is much ahead in publication activities as compared to similar publications.

The Practice:

The journal is published as bi-annual for the last seven years. The Institute is continuing this best practice strictly adhering to its Publication Policy as given in the journal website, (www.anveshana.in). The Publication Policy provides the inputs of publisher's details, ISSN Registration, review systems, composition of the Editorial Board, regional representation in the selection of articles, royalty for the articles, copy right, subscription rates and instructions to authors.

Evidence of Success:

- Uninterrupted Publication for seven years without any break and delay.
- As an evidence of success, our publication has the ISSN -2249-1449.
- Indexed in international online journal portals-J-Gate and ProQuest.
- The Institute has also applied for including the journal in the list of journals maintained by the UGC.

Today, the Institute never felt the dearth for quality articles, as we receive the articles in abundance.

The Research Journal has its own website, (www.anveshana.in).

The Institute is able to develop an editorial board comprising high profile academicians all over country, including an international scholar. Because of the strength and success of the Journal, the Institute is able to set a separate Research Centre with all facilities.

Problems Encountered and Resources Required

Undoubtedly, the Institute has encountered a few minor or major problems in the span of seven years of the footprints of its publications. The problems encountered consist of necessity of quality articles, challenge of timely publication, reviews of articles, ICT related changes and challenges, cost escalation, resources required and strengthening the list of subscribers.

7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust Provide the Weblink of the institution in not more than 500 words

Weblink: http://ajimmangalore.ac.in/wp-content/uploads/2018/12/Distinctiveness.pdf

A.J. Institute of Management has not left a single stone unturned in developing the Institute as a Centre of Excellence in Management Education by continuously benchmarking itself against the best. It is our mission to impart value based management education, designed to prepare young men and women for leadership positions. The Institute also believed that 'teaching-learning' is no longer restricted to the classroom, hence, moved beyond the boundaries and structured course content. As per our Vision, business education is the process of imparting knowledge that is essential, skills that are relevant and values that are foundational. Further, fact remains that business education has to provide two kinds of knowledge that is 'how to think' (knowledge component) and 'how to live' (skill component). The distinct thought of the Institute is that, success of a student at our Institute not only to be decided by the marks or CGPA he or she is scoring, but also to what extent he or she is transformed over the four semesters by imbibing the skills and values. Hence, as per the distinctiveness of our Vision-Mission, priority and thrust is given for the skill building activity to make the students proficient, perfect and professional.

With the novel idea of enhancing of knowledge and skills as well as for imparting values among the students, the Institute looked beyond its boundaries and strived hard to achieve the better of the best in management education, as it is reflected in our Vision. With this intension, the Institute organized a large number of activities through different Clubs and Associations. These varied activities provided hands on experience to the

students and taught them how to plan, organize, coordinate, supervise, control, articulate, communicate, work in a team, motivate (self and others), develop sense of responsibility, reasoning and so on. Accordingly, the Institute planned and implemented activities through a structured action plan. They are properly coordinated and supervised through Clubs and Associations.

The following Table exhibits various activities of skill building, over and above the regular classroom

teaching.

Sl.		Number of Activities
No.	Dimensions of Skill Based Activities	2017-2018
1	Number of clubs and associations	36
2	Number of student nominations to clubs and associations	140
	Dual / Industry Certified Programs / Soft Skills	14
3	Number of Courses (GST, SAP)	2
5	Number of Students	GST = 45 Students
		SAP = 18 Students
4	Expert Lectures (GST, Demonetization, Investment Planning, Scenario Planning, Project Management etc.)	13
